Important information regarding the Confirmation Ceremony

We are hoping to have the Confirmation Ceremony in Late April, preferably on a Sunday at the 5:00pm Mass at St. Paul the Apostle. The Bishop's office will send the list available dates for Confirmations in August or September. As soon as we get those dates, we will request 2-3 dates, early in the Easter season that do not conflict with other important events at St. Paul (ex. First communions in May). The Bishop's office assigns the ceremony dates sometime in November. I will send the Ceremony date out to the families as soon as I receive it. Candidates and Sponsors would also have to attend a rehearsal a couple of days before the Ceremony, this date will be sent out when we receive our date for the Confirmation. Please feel free to contact me if you have any further questions regarding the Ceremony.

Reminder of Requirements to complete this year

1. Attend Confirmation meetings. If you need to miss a meeting, please inform me prior to your absence. You may not miss more than one session.
2. Attend one Retreat
3. Complete one Community service experience. Your service hours completed for school requirements count.
4. Choose a sponsor
5. Attend a meeting with our priests. I will send out an email to schedule one, later in the year.
